

## Purpose

## Goals

The purpose of CMN is to come along side ministries so that they can reach their fullest potential and effectiveness. CMN is a ministry of helps in the truest sense. It is also in the purpose of CMN to be a ministry that will bring unity among diverse ministries that have a heart to reach the Cowboy/Western world. CMN believes that as we unite together we can all do more for the Kingdom of God.

The goals of CMN are pretty big! We desire CMN to be an instrument of the Lord to bring the entire Cowboy/Western ministry world together to make an incredible impact in the world as we usher in the end time out pouring before Jesus comes back. We desire **Ephesians 4:2-3 (NKJV)** 'with all lowliness and gentleness, with longsuffering, bearing with one another in love, endeavoring to keep the unity of the Spirit in the bond of peace' and to be the standard of unity among the Cowboy /Western world ministries. We are committed to seeing this kind of unity happen through relationships and camaraderie. This is best done through our fellowship with one another and communication.

## *History*

Several years ago the founders of the CMN saw a growing need to help the ministries that were called to the Western world. In 2003 the ministers that make up the Board of Founders came together to address that need and formally designed a ministry of helps. The best way to accomplish this was a ministry that would help promote relationship, a network of ministers, not the creation of a denomination. These ministers realize that relationships are necessary to keep ministry functioning in a healthy way.

The Cowboy Ministers Network (CMN) was formed and presented in 2004. The founding board is made up of Glenn Smith and David Simmons. There is a vast amount of ministry experience, over 60 years among these Apostles. Among the directors there are more than 50 years, these ministries represent both traveling and pastoral ministries.

Their desire is to see CMN become a true ministry of helps to the Cowboy/Western ministries, to help you reach your greatest potential to accomplish the call on your life in doing the work of the Lord and to assist those starting out in ministry.

“Cowboy Ministers Network is a unified bunch of Godly cowboys with only God’s will in mind. They achieve prosperity, Godliness and promote good works. CMN helps to advise all ministries who need help of their experiences. This is of great value to those of us called to the ministry.”

“Cowboy Ministers Network is a group of ministers that have a desire to help Churches and Ministries succeed in what God has called them to do. CMN is one of the most awesome groups I have ever been a part of. No matter what I go through in the Ministry, there's someone that can help me.”
